Do you recall when we announced that two of our local **501st** troopers were going to be part of the 2007 Rose **Parade**? The parade is an annual event in the USA on

New Year

's Day, but that year was special to Star Wars fans because George Lucas presided as Grand Marshall, and the parade featured an International ensemble of 501st members.

Many troopers wished they could have been part of the contingent, and the rest of us wished we could have been there to experience the event. Have you dreamt that we would have something similar in Singapore one day?

Well..... WE SOON WILL !!! More details will be announced soon, but if you have been participating in our forum, you probably already know what we are **hinting**.

[updated on Saturday 26 January] Here's a sneak peek.... and one word - CHINGAY !!! More will be revealed next week.
